VW Connect[1] and VW Connect Plus[1,2]

With Volkswagen VW Connect[1] driving will now be even more digital, closely integrated and comfortable. It connects your smartphone to the vehicle with an integrated eSIM card. The standard VW Connect[1] package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the VW Connect Plus[1,2] package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to
date. To take advantage of these exclusive services, you can register today with the VW Connect[1] Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

1 To use VW Connect services, you need a Volkswagen ID user account and must log in to Volkswagen App with your user name and password. A separate VW Connect contract or VW Connect Plus contract will also need to be made online with Volkswagen AG. For VW Connect Plus you have 90 days after the handover of the vehicle to register the vehicleon www.portal.volkswagen-we.com and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. 3 Only in combination with the anti theft alarm system. Standard on Highline models, optional on Startline models. 4 The Lock & Unlock service is a security feature and requires a prior identity check by means of the Volkswagen ID procedure. This involves your identity being checked by a Volkswagen dealer or via video chat. 5 Available from April 2020. 6 Only available in conjunction with the Discover Media navigation system and Streaming & Internet package. Optional at extra cost. The scope of services of VW Connect and VW Connect Plus may vary and can be used at a later date. 7 Only in conjunction with the Discover Media navigation systems. Optional at extra cost.

All dimensions in millimetres (mm), unless otherwise stated.
1 CR30 and CR35: RWD & 4MOTION derivatives have a lower internal load height due to a raised floor (by 100mm).

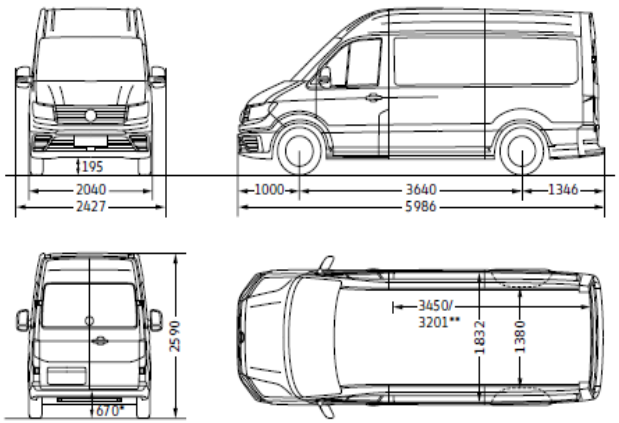

Illustration shown is CR35 medium wheelbase panel van with high roof.
* This value applies for RWD & 4MOTION all-wheel drive.
**Load compartment length, max. (at floor level)/load compartment length, min.

1 CR35: RWD & 4MOTION derivatives have a lower internal load height due to a raised floor (by 100mm).

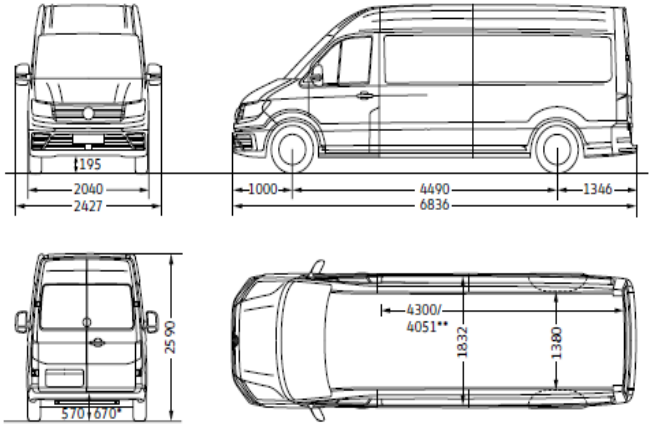

Illustration shown is CR35 long wheelbase panel van with high roof.
* On high roof models, this value applies for RWD & 4MOTION all-wheel drive and rear-wheel drive.
On super-high roof models, this value applies for RWD & 4MOTION all-wheel drive only.
**Load compartment length, max. (at floor level)/load compartment length, min.

Please note: all measurements listed are based on series vehicles. The loading sill and height dimensions listed here may vary by approximately ±50 mm depending on the equipment fitted and load. The vehicle drawings are not to scale.
