# The Crafter - Standard Equipment

## Startline

### Exterior

Cab doors with power windows
Exhaust tailpipe extruding at vehicle center
Fuel tank filter secured by locking passenger door
Towing eye front and rear
Rear wing doors
Side marker lights on LWB* and ELWB* models
Left sliding door in load compartment
Side wind compensation
75-litre lockable fuel tank

### Cargo Area

Interior entry step
Lashing rings for load compartments
Rear door interior release lever
Steel flooring
Door activated interior lights

### Audio & Communications

Mobile phone interface
"Composition Audio" - Bluetooth
Radio FM/AM

### Safety & Security

Anti-lock Braking System (ABS)
Brake assist
Electronic Brake-Force Distributions (EBD)
Electronic Differential Lock (EDL)
Electronic stabilisation programme (ESP)
Height-adjustable head restraints
Hill start assist
Remote Central Locking with interior locking

### Cab Area

"Austin" cloth upholstery
Heat insulated windshield made of laminated glass
Convenient storage compartments
Interior lighting in passenger compartment
Internal steps in passenger compartment
Bulkhead without window
Rubber floor covering in cab
Drivers seat with reach and rake adjustments
Dual passenger seat with storage
Electric front windows
12v sockets x2
Two reading lights

# The Crafter - Technical Data

## Medium Wheel Base Normal Roof

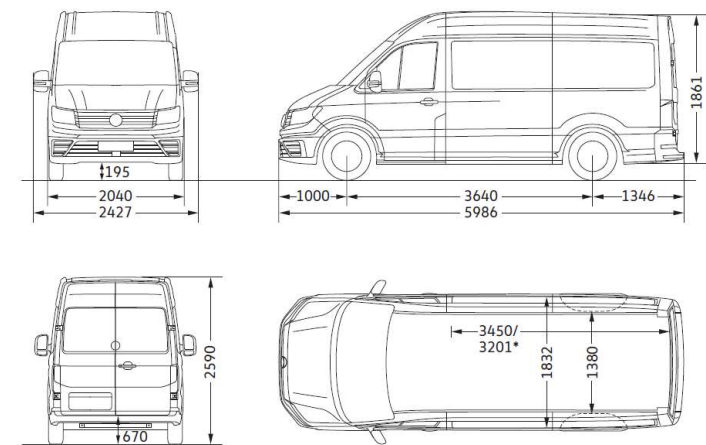

\*This value applies for 4MOTION all-wheel drive.

Descriptions	Dimensions
Load compartment, volume (m <sup>3</sup> ) with front wheel drive/4Motion	9.9/9.3
Lateral sliding door, width x height (mm)	
- with front wheel drive	1,311 x 1,587
- with 4Motion	1,311 x 1,487
Rear wing doors, width x height (mm)	
- with front wheel drive	1,552 x 1,605
- with 4Motion	1,552 x 1,505
Turning circle (m)	13.6

## Medium Wheel Base High Roof

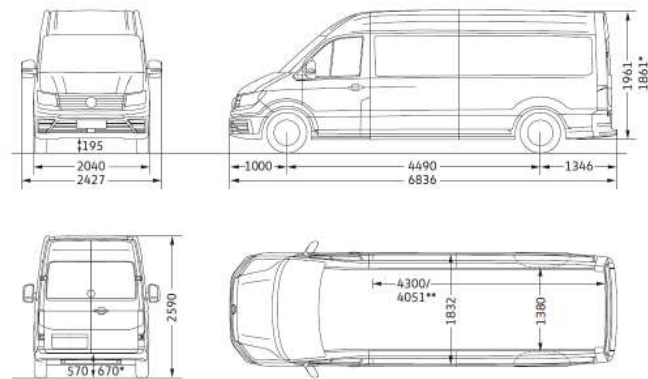

Descriptions	Dimensions
Load compartment, volume (m <sup>3</sup> )	10.7
Lateral sliding door, width x height (mm)	1,311 x 1,722
Rear wing doors, width x height (mm)	1,552 x 1,740
Turning circle (m)	13.6

# The Crafter - Technical Data

## Long Wheel Base High Roof

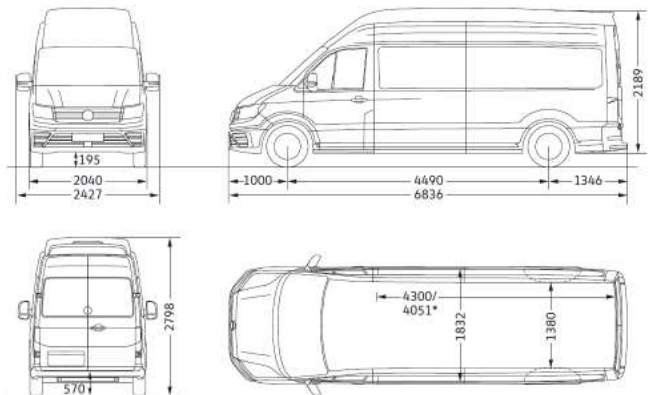

\*This value applies for 4MOTION all-wheel drive and rear-wheel drive.  
\*\*Load compartment length, max. (at floor level)/load compartment length, min.

Descriptions	Dimensions
Load compartment, volume (m³) with front wheel drive/4Motion/ rear wheel drive	14.4/13.6/13.6
Lateral sliding door, width x height (mm)	
- with front wheel drive	1,311 x 1,822
- with 4Motion	1,311 x 1,722
Rear wing doors, width x height (mm)	
- with front wheel drive	1,552 x 1,840
- with 4Motion	1,552 x 1,740
Turning circle (m)	16.2

## Long Wheel Base Super High Roof

\*Load compartment length, max. (at floor level)/load compartment length, min.

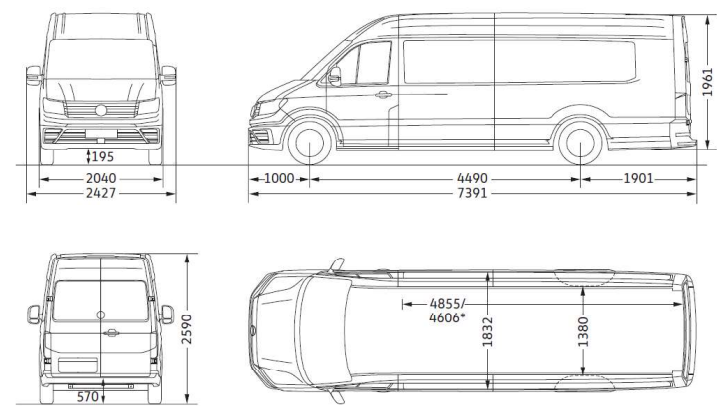

Descriptions	Dimensions
Load compartment, volume (m³)	16.1
Lateral sliding door, width x height (mm)	1,311 x 1,822
Rear wing doors, width x height (mm)	1,552 x 1,840
Turning circle (m)	16.2

# The Crafter - Technical Data

## Extra Long Wheel Base High Roof

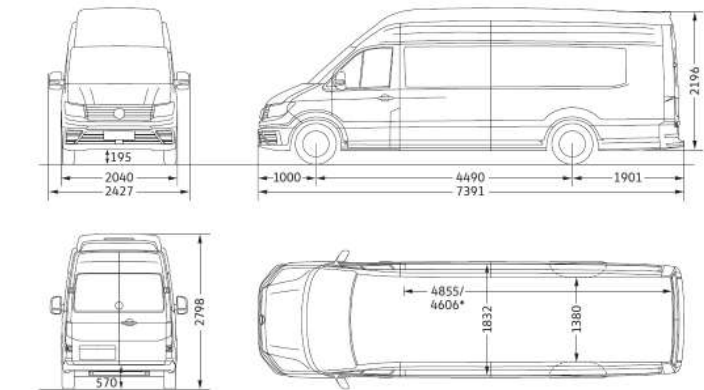

\*Load compartment length, max. (at floor level)/load compartment length, min.

Descriptions	Dimensions
Load compartment, volume (m <sup>3</sup> )	16.4
Lateral sliding door, width x height (mm)	1,311 x 1,822
Rear wing doors, width x height (mm)	1,552 x 1,840
Turning circle (m)	16.2

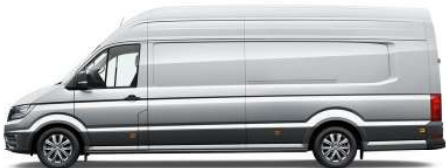

## Extra Long Wheel Base Super High Roof

\*Load compartment length, max. (at floor level)/load compartment length, min.

Descriptions	Dimensions
Load compartment, volume (m <sup>3</sup> )	18.4
Lateral sliding door, width x height (mm)	1,311 x 1,822
Rear wing doors, width x height (mm)	1,552 x 1,840
Turning circle (m)	16.2

# Volkswagen Crafter Accessories

Top 10 accessories to keep your  
Transporter 100% Volkswagen.

## Floor Mats.

The Volkswagen Genuine all-weather mats protect your vehicle interior from dirt and moisture. They are designed to fit perfectly, are easy to clean and have a non-slip underside. One particular visual highlight is the modern design of the floor mats. It helps them blend in seamlessly with the interior of the Crafter. The floor mats are also 100% recyclable, very sturdy and durable. The material allows the Genuine all-weather floor mats to be considerably lighter than standard floor mats.

## App-Connect.

App Connect –Innovative technologies that allow you to bring smartphone apps onto your infotainment system's touchscreen: the new CarPlay™ function from Apple, and the Android Auto™ function from Google. APPLE CAR-PLAY™ from Apple, you can manage selected apps from your iPhone while on the move. The apps can be operated with all the ease that you'll have come to expect from an iPhone. Maps, phone, news, music – everything just at the touch of a button. And if you choose, you can even operate the system by voice control. As well as the apps from Apple™, CarPlay™ supports other apps such as Spotify, Stitcher, & Skype .

ANDROID AUTO™ from Google enables you to operate suitable apps safely from your smartphone using the Android operating system while driving. With Google Voice, you operate everything by voice input, and you can listen to songs using Google Play Music, Pandora or Spotify, for example. Many other apps are also already supported. As well as the apps from Google™, Android Auto™ supports other apps such as Joyride, Podcast Player, Spotify, Stitcher, Umano, and Pocket Cast.

## Rear Mud Flaps.

Long lasting and durable: The Volkswagen Genuine mud flaps effectively protect the underbody, bumpers, side skirts and doors from excessive dirt and dangerous road chippings. Moreover, spray is reduced enormously.

Mud flaps  
7C0075101 **€106.10**

## Interior Roof Rack.

The interior roof rack is comprised of 2 airline aluminium profiles. Two slides with leather abrasion protection and a belt strap can be slid and locked within the profile, allowing for the safe and convenient transportation of long objects weighing up to 35 kg under the vehicle roof. Up to 35kg, with lashing slides.

**€228.40**

## Volkswagen Roof Bars.

The Volkswagen roof bars serve as the ideal base system for all attachments. The roof bars are City Crash Plus tested to Volkswagen's strict standards and serve as the ideal basis for roof attachments such as ladder holders and high bracket kits. This means that long objects can also be securely transported on the roof. The roof bars are precisely adapted to the vehicle and can be locked to prevent theft. A torque wrench is also included.

Included: 3 units. **€359.60**

## Angle Supports.

The Volkswagen Original angle supports are especially suited to safe and stable transport of long objects. For example, using the high angle, wood boards can be clamped securely on the base roof bars or the luggage rack.

Wide bracket set **€208.90**

## Genuine Roof Bars x4.

Door wind deflectors for the front and side vehicle doors enable optimal aeration and ventilation of the vehicle interior, thus contributing to your driving comfort. They improve the interior climate and allow you to enjoy circulating fresh air even when it is raining or snowing. When the sun is shining, they prevent unpleasant heat build-up in the vehicle interior when the windows are opened to slightly above the lower edge of the wind deflectors.

## Sortimo Securing Kit.

The load securing set contains the basic equipment for securing loads in a vehicle. Contains two ratchet tightening lock straps and two clamping lock straps. These can be used directly at the vehicle's original lashing points or at any position on the optional airline rails integrated into the vehicle floor using the optional fittings. 4 non-slip mats for pallets and 4 flex edge protectors also included. Including Sortimo practical guide with lots of useful information on securing loads. The optional wall holder provides the ideal means of storing the load securing set in the vehicle.

Load-securing kit, with storage bag. **€123.95**
