The Caravelle 6.1 Brochure

Caravelle

Weden -

Commercia Vehicles

Distinctive design.

The new, sharp front design features a larger grille, chrome detail and LED headlights¹, with new alloy wheels, new colour palette and a new LED tail light cluster providing a striking rear signature.

Proven quality.

As you'd expect, the Caravelle 6.1 is durable, versatile and built to last with a highly stable body, high quality materials and exceptional workmanship.

Impressive range of variants.

Choose from two equipment lines: Caravelle 6.1 Comfortline and Caravelle 6.1 Highline, with different engine power outputs and a great selection of optional equipment.

Caravelle

Optimum off-road mobility.

4MOTION all-wheel drive²,³, double clutch gearbox DSG, Hill Descent Assist²,⁴,⁵,⁶, Hill Hold Assist and mechanical differential lock drive²,⁴,⁵ provide impressive off-road mobility.

State-of-the-art driver assistants.

A dal mi i metta anti-

Fitted as standard are Adaptive Cruise control including Front Assist with City Emergency Braking⁵, Brake Assist and Crosswind Assist⁵. In addition Active Lane Assist², ⁵, ⁶, Rear Traffic Alert², ⁵ and Trailer Assist², ⁵ are optionally available.

1 Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. 2 Optional at extra cost. 3 Not available for all engines. 4 Only available in conjunction with 4MOTION all-wheel drive. 5 Within the system's thresholds. 6 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. Image shown is for illustrative purposes only. Vehicles shown are not Irish specification

Exceptional driving comfort.

Ergonomic seats with hard-wearing, stylish upholstery, excellent noise insulation, exceptional all-round visibility and great interior space with plenty of head and legroom ensures a pleasant driving experience.

Perfectly networked.

Our range of technologically advanced systems will help you find your way quickly and easily, from the latest Digital Cockpit¹ with a high-resolution colour screen to the intuitive touch-screen radio and navigation systems¹. The integrated eSIM, We Connect² mobile online services and Bluetooth[®] ensure you stay connected while you travel.

Flexible seat configurations.

Swivel seats and a three-seater bench seat in the passenger compartment can be conveniently folded, adjusted and securely fixed at any point of the floor-mounted rail system, enabling seats to be easily removed or installed.

Impressive level of equipment.

Standard equipment across all models includes front and rear parking sensors, a leather multi-function steering wheel, Crosswind Assist³, LED interior lighting, electrically adjustable and heated exterior mirrors, Bluetooth[®] and electric child safety locks.

1 Optional at extra cost on the Caravelle 6.1. 2 To use We Connect services, you need a Volkswagen D user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time. 3 Within the system's thresholds.

Van of the world.

When the first VW camper van came off the production line in 1950, nobody could have imagined that it would one day move the whole world. First there was the 'window bus', and then later also the 'Samba'. Little by little it became today's Caravelle. But one thing has remained the same since the beginning – its core, the Transporter DNA. Slide. Fold. Turn. There are a great deal of good ideas in the Caravelle 6.1.

Caravelle

Closely integrated **for the future.**

Cars are getting smarter. The Caravelle 6.1 is already equipped with many digital technologies that make driving more comfortable. The Optional high-resolution Digital Cockpit¹ with map display. Or Volkswagen We Connect² featur-ing multiple services that turn your smartphone into a remote control for the car. And this is just the beginning.

AIRBAG

1 Optional at extra cost on the Caravelle 6.1. 2 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

New Digital Cockpit.

You can now experience digital progress up close in the Caravelle 6.1. State-of-the-art infotainment systems and the Digital Cockpit¹ offer many new functions. The latter immediately impresses with its 10.25 inch display, its intense

colours as well as its bright and extremely high-contrast imagery. The Digital Cockpit¹ is operated via the touch display of the infotainment system and via the leather trimmed multi-function steering wheel. Use the buttons to conveniently scroll through the playlist in your smart-phone media library, select the next call via your contacts list or set the safety distance with Adaptive Cruise Control ACC³.

Even more possibilities arise when the Digital Cockpit¹ is combined with the 9.2 inch Discover Pro navigation system². A large second navigation map can then be positioned on the Digital Cockpit¹. In addition, traffic jam information and available parking spaces can be imported via the Internet. An additional benefit: both maps can be zoomed in at different distances. For example, the Digital Cockpit¹ only shows the immediate environment, while you have a large overview on the navigation system.

1 Optional at extra cost on the Caravelle 6.1 2 Optional at extra cost. 3 Within the system's thresholds. 4 Only available in conjunction with the Discover Pro navigation system.

01 Composition Colour radio system.

Fitted as standard on the Coast, the Composition Colour radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth[®], SD card slot and four speakers delivering 20 watt output. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect and We Connect Plus.

02 Discover Media satellite navigation system.

The optional Discover Media satellite navigation system features an 8 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus, wireless App-Connect3 and integrated eSIM.

03 Discover Media Pro satellite navigation system.

The optional Discover Media satellite navigation system features an 9.2 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus, wireless App-Connect3 and integrated eSIM.

We Connect¹ and We Connect Plus^{1,2}

With Volkswagen We Connect¹ driving will now be even more digital, closely integrated and comfortable. A wide range of services gives you quick access to the California 6.1 – conveniently via your smartphone. The heart of the system is the We Connect¹ App. It connects your smartphone to the vehicle with an integrated eSIM card. The standard We Connect¹ package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the We Connect Plus^{1,2} package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to date. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handower of the vehicle to register the vehicleon www.portal.volkswagen-we.com and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. 3 Only in combination with the anti theft alarm system. Standard on Highline models, optional on Startline models. 4 The Lock & Unlock service is a security feature and requires a prior identity being checked by means of the Volkswagen ID procedure. This involves your identity being checked by a Volkswagen dealer or via video chat. 5 Available from April 2020. 6 Only available in conjunction with the Discover Media navigation system and Streaming & Internet package. Optional at extra cost. The scope of services of We Connect and We Connect Plus may vary and can be used at a later date. 7 Only in conjunction with the Discover Media navigation system. Optional at extra cost.

Park Assist NEW

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

Side protection. **NEW**

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Crosswind Assist. **NEW**

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle Driving the Transporter 6.1 offers high levels of safety encounters a strong crosswind.

Intelligent driver assistants give you peace of mind.

Adaptive Cruise Control (ACC)

Optional on all trims. Adaptive Cruise Control

uses a front radar to measure the distance (up to 120 metres) andspeed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18mph triggers emergency braking.

Traffic Sign Recognition.

Detects road signs and informs the driver. Optionally available in combination with the Discover Media navigation system.

Active Lane Assist.

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

Rear Traffic Alert.

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

Tyre pressure monitoring system.

Displays the current pressure for every tyre and warns of deviations from the set pressure.

My Caravelle. My life.

The decision for a Caravelle 6.1 is always a decision for more freedom. For the freedom to follow one's heart alone and to consistently go one's own way. This also applies to the equipment. The extensive standard equipment can be tailored precisely to your individual needs with many other extras.
