* The power available will depend upon individual driving behaviour and other non-technical factors, however the maximum power for this vehicle requires in particular a temperature of the high voltage battery between 23-50 degrees Celsius and a battery state of charge greater than 88%. However, in order to preserve the usable capacity of the battery as much as possible, it is recommended to set a charging target of 80% for daily operation and use (which can be switched to 100% before long distance journeys for example).

¹This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at <https://www.volkswagenans.ie/en/wltp-info.html>.

²Net to energy amount.

³The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/ additional load, and topography. To discover exact values please configure your desired vehicle at <https://www.volkswagenans.ie/en/configurator.html>. You can discover more about the WLTP at <https://www.volkswagenans.ie/en/wltp-info.html>.

⁴All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT.

⁵SEAI grant applicable to all vehicles with a maximum RRP of €60,000 (inclusive of all optional extra's & paint charges).

⁶€1,300 includes optional 'S Pack' ID. Service Plan which can be removed upon request. Delivery charge with Service Plan removed is €1,016. 'S Pack' ID. Service Plan includes one service, with pollen filter and brake fluid replacement.

⁷Recommended 'On the Road' Retail price.

VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2022 cars produced from CW51/2021 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Volkswagen Commercial Vehicles Ireland may change RRP's at any time (this includes where there are changes in government regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit <https://www.volkswagenans.ie/en/configurator.html> for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st July 2022. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

ID.Buzz Cargo Equipment Highlights

77kWh Battery: 400km - 420km WLTP Range

ID.Buzz Cargo

412km Range
77kWh Battery
204HP

- » 18" steel wheels (incl. trim)
- » Cruise control system
- » Dual sliding doors
- » LED Headlights
- » Multi-function steering wheel
- » "Climatronic" 1-Zone A/C
- » "Keyless Start" central locking system
- » Parking Sensors (front & rear)

Private RRP:
€53,060*
Commercial RRP:
€53,060*
Ex. VAT Price:
€41,538.00*

ID.Buzz Cargo Comfort

412km Range
77kWh Battery
204HP

In addition to Cargo:

- » 18" steel wheels (incl. bi-colour trim)
- » Dynamic road sign display
- » Voice control
- » Heated steering wheel
- » Heated driver seat
- » "Lane Assist" lane keeping system

Private RRP:
€54,935*
Commercial RRP:
€54,935*
Ex. VAT Price:
€43,062.00*

ID.Buzz Cargo Business

409km Range
77kWh Battery
204HP

In addition to Comfort:

- » 19" 'Tilburg' alloy wheel
- » Rear view camera system
- » Play & Pause pedal cluster
- » "Keyless Entry" central locking system
- » Interior footwell lighting
- » Surround lighting on rear

Private RRP:
€62,750
Commercial RRP:
€62,750
Ex. VAT Price:
€50,126.00

ID.Buzz Cargo Executive

408km Range
77kWh Battery
204HP

In addition to Business:

- » 'Robust' seat trims
- » IQ.LIGHT - LED matrix headlights
- » Illuminated moulding between headlights
- » Proactive passenger protection system
- » Adaptive cruise control system (ACC)

Private RRP:
€64,885
Commercial RRP:
€64,885
Ex. VAT Price:
€51,862.00

ID.Buzz Cargo Tech

408km Range
77kWh Battery
204HP

In addition to Executive:

- » "Climatronic" 2-Zone A/C
- » "Side Assist" lane change system
- » Digital radio reception (DAB+)
- » "Travel Assist" incl. lane keeping
- » "Park Assist" incl. PDC
- » Navigation System "Discover Pro"

Private RRP:
€67,465
Commercial RRP:
€67,465
Ex. VAT Price:
€54,252.00

ID.Buzz Cargo Max

402km Range
77kWh Battery
204HP

In addition to Tech:

- » 20" 'Solna' alloy wheel
- » Power-operated sliding doors (dual)

Private RRP:
€68,975
Commercial RRP:
€68,975
Ex. VAT Price:
€55,187.00

* Prices are representative of RRP after government incentives

Effective from 1st July 2022. All prices include VAT and VRT. Prices and specifications are subject to change without notice.

ID.Buzz Cargo

From €53,465*

77kWh Battery
412km Range

Exterior Equipment

- » 19" steel wheels (incl. trim)
- » Black exterior mirror housings and door handles
- » Body-coloured bumpers
- » Exterior mirrors, power-adjustable and heated
- » Manual sliding doors (dual)
- » Rear wing doors (solid)
- » LED headlights (incl. LED rear lights)

Interior Equipment

- » Multi-function steering wheel
- » 2-seater front passenger bench
- » Door trim panel and armrest in plastic
- » Fabric seat trim
- » Lashing rails on side panel and partition
- » Manual height adjustment for single driver seat
- » Partition (without window or load-through hatch)
- » Robust floor covering in cab
- » Wooden floor covering in load compartment
- » Lashing rails on side panel and partition
- » 2 USB interfaces (type C) in dashboard, 2 USB charging sockets in the area of the left C-pillar
- » 230V outlet and 12-V outlet on front passenger seat cushion frame (Ireland)
- » 2 speakers (full-range)
- » LED load compartment lighting
- » "Climatronic" 1-zone automatic air conditioning system incl. enhanced air filter and stationary air conditioning

Infotainment Package

- » 10" Infotainment system
- » App-Connect for Apple CarPlay and Android Auto (wired & wireless)
- » Mobile phone interface 'Comfort' incl. wireless charging
- » Navigation system preparation incl. media and internet package

Safety & Security

- » Seat belt reminder, electric contact in buckle
- » Side airbag in front with curtain airbag
- » First aid kit, warning triangle and 1 safety vests
- » Emergency call control unit with eCall
- » Airbag - driver's and passenger's airbag with front passenger's airbag deactivation
- » 3-point seat belts in front with seat belt height adjustment and electric seat belt pretensioners
- » 2 keys with remote control for locking systems
- » Tool kit and tyre mobility kit: 12-V compressor and tyre sealant
- »

Driver Assistance Systems

- » "Front Assist" auto. emergency braking with pedestrian and cyclist monitoring
- » "Keyless Start" central locking system without SAFELOCK
- » Driver alert system
- » Park distance control (front & rear)
- » Cruise control system incl. speed limiter and 'Intelligent Speed Assist' in combination with online services

Charging Equipment

- » Three pin home socket charging cable, 10A
- » Charging cable Mode 3 Type 2, 32 A
- » Battery charging capacity - max. 11kW AC, max. 135kW DC
- » 82kWh battery
- » 8 year battery warranty or 160,000km, whichever comes first

Effective from 1st July 2022. All prices include VAT and VRT. Prices and specifications are subject to change without notice.

ID.Buzz Cargo Business (in addition to Comfort)

From €63,155

77kWh Battery
409km Range

Exterior Equipment

- » 19" 'Tilburg' alloy wheels
- » Illuminated door handle recesses
- » Surround lighting on rear

Interior Equipment

- » Play & Pause pedal cluster
- » Interior footwell lighting
- » Heated windshield

Driver Assistance System

- » Rear-view camera system

Safety & Security

- » "Keyless Entry" central locking system
- » Anti-theft alarm system

ID.Buzz Cargo Executive (in addition to Business)

From €65,290

77kWh Battery
408km Range

Exterior Equipment

- » LED strip between headlights
- » Advanced dynamic "Light Assist"
- » IQ.LIGHT - LED matrix headlamps
- » Dynamic headlight range control with dynamic cornering light

Interior Equipment

- » 'Robust' seat upholstery

Safety & Security

- » 3-point seat belts with seat & lap pretensioner in front
- » Proactive passenger protection system
- » Anti-theft alarm system

Driver Assistance System

- » Adaptive Cruise Control ACC 'Stop & Go' (incl. speed limiter)

ID.Buzz Cargo Tech (in addition to Executive)

From €68,230

77kWh Battery
408km Range

Exterior Equipment

- » Surround lighting (incl. logo projection)
- » High-gloss black exterior mirrors
- » Power folding exterior wing mirrors

Interior Equipment

- » "Climatronic" 2-zone air conditioning system

Driver Assistance System

- » "Side Assist" lane change system

ID.Buzz Pro ¹	
Engine	77kWh
Engine type	Electric
Driving range WLTP Combined, km	400-425
Max. output, HP/kW	204/150
Max. torque, Nm	310
Gearbox	1-speed automatic
Performance	
Top speed, km/h, where the law permits:	145
Acceleration, secs 0 – 100km/h:	10.2
Battery and charging system	
Battery type	Lithium Ion
Weight of battery, kgs	
Gross vehicle weight, kgs	3,000
Rated capacity (net), kWh	77
Official consumption WLTP ² , kWh/100km	20.4-22.2
Number of cells	
Nominal voltage, V	
Charging time, AC, 2.3kW 0%-100%, hour ²	TBC
Charging time, AC, 7.4kW 0%-100%, hour ²	12h0m
Charging time, DC 5%-80%, hour ²	0h30m
Combined CO2 emissions, g/km	0

* The maximum electric power determined in accordance with UN-GTR.21 for this vehicle is 220kW and lasts for a maximum of 30 seconds. The power available will depend upon individual driving behaviour and other non-technical factors, however the maximum power for this vehicle requires in particular a temperature of the high voltage battery between 23-50 degrees Celsius and a battery state of charge greater than 88%. However, in order to preserve the usable capacity of the battery as much as possible, it is recommended to set a charging target of 80% for daily operation and use (which can be switched to 100% before long distance journeys for example).

¹VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2022 cars produced from CW51/2021 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

²These are average charging times that can vary depending on certain conditions, such as temperature.

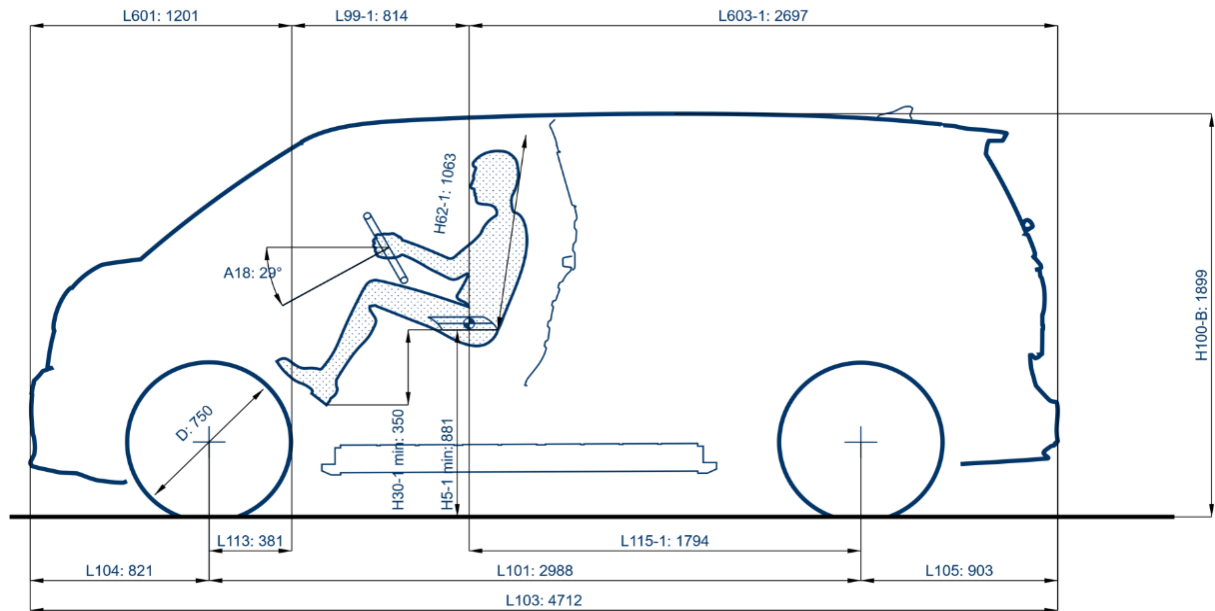

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at <https://www.volkswagenvans.ie/en/configurator.html>. You can discover more about the WLTP at <https://www.volkswagenvans.ie/en/wltp-info.html>

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit <https://www.volkswagenvans.ie/en/configurator.html> for details relating to the tyres applicable to said vehicles

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 1st July 2022. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

We Charge

We Charge Benefits

- » Simple registration with your Volkswagen ID account
- » Search and find public charging points
- » Pre-planning tours with charge stops
- » Starting and stopping charging processes
- » Easy management of charge cards & tariffs
- » Full cost control through price transparency for charging points
- » ID. Charger Connect/Pro management and remote control

IONITY

With IONITY, you have the freedom to go, and the power to be spontaneous. Europe's leading, high power charging network for electric vehicles (EVs) means only stopping when you want to stretch your legs – and the confidence to travel across Ireland.

- » 6 charging stations along major motorways in Ireland
- » Average 120 km to the next IONITY charging station
- » An average of 4 - 6 charging points per station
- » ID.5 has a charging capacity of up to 135 kW and can charge from 5% to 80% in only 29 minutes with IONITY
- » A record-setting, high-speed charging capacity of up to 350 kW DC (depending on capacity of car)
- » An experience so intuitive you already know how to use it.
- » Fully integrated with We Charge
- » All IONITY stations are powered by 100% renewable energy
- » Use of the European CCS charging standard, achieving the widest compatibility across electric vehicles past, present, and future

For further information visit www.ionity.eu

Effective from 1st July 2022. All prices include VAT and VRT. Prices and specifications are subject to change without notice.

ID. Charger

The ID. Charger will enable you to charge your EV seamlessly, making it ready to depart on your next journey. All you need to do is order the ID. Charger online from your retailer and we will look after the rest including a remote home check, installation and setup.¹ For eligible private and commercial customers, SEAI offer an EV Home Charger Grant of €600 towards the cost of purchasing an ID. Charger with Installation.

There are three different variants of our ID. Charger:

ID. Charger

- » Charging performance – up to 7.4 kW AC (single-phase) or 11 kW AC (three-phase)
- » The attached (Type 2) charging cable is fixed to your ID. Charger with an option of 4.5 m or 7.5 m length
- » Integrated DC fault current detection ≥ 6 mA - no RCD type B required (Saving up to €200)
- » Dynamic load management (Blackout Protection) ready²

ID. Charger from €494
ID. Charger + Installation
from €729*

(*From €1,329 before SEAI Grant³)

ID. Charger Connect (In addition to ID. Charger)

- » Wi-Fi/Ethernet communication
- » Secure and stable LTE mobile communication⁴
- » Safe data transfer using the latest standard (OCCP 2.0)
- » Safe access control with RFID card
- » Remote access via Volkswagen We Connect ID. app
- » Future proof via remote software updates
- » Plug & Charge (ISO 15118) via software update
- » EEBUS communication for energy management via software update

ID. Charger Connect from €764
ID. Charger Connect + Installation
from €949*

(*From €1,549 before SEAI Grant³)

ID. Charger Pro (In addition to ID. Charger Connect)

- » Secure and stable LTE mobile communication included
- » MID certified electricity monitoring and deduction, e.g. for company car drivers

ID. Charger Pro from €1,114
ID. Charger Pro + Installation
from €1,279*

(*From €1,879 before SEAI Grant³)

Standard Installation package

You order. We'll take care of the rest. We offer everything you need to start your electrifying future. The following services are included in our standard installation package:

- » Remote/Virtual Home Check and if necessary Physical On-Site Home Check
- » Up to two wall openings
- » Up to 15 m cabling from fuse box to ID. Charger
- » Residual current and wiring protection
- » Installation and commissioning

Installation Package Benefits

- » Comprehensive Installation package and ID. Charger from one supplier
- » Professional and Safe Electric Registered Electrical Contractor (REC)
- » Installation of fuses recommended by law
- » 24-month guarantee on the Installation
- » Seamless on-site and after sales support

¹The customer should apply for the SEAI grant before ordering the ID. Charger. Please see www.seai.ie for further information.

²Our standard installation package does not include a Dynamic Load Management solution. Whether this is required will be jointly evaluated during the remote home check with the installation provider. Homes with other large power consumers such as electric shower or heat pump need this solution to manage the total house load. In case it is needed, our installation partner will offer it directly to you for approximately €240.

³For eligible private and commercial customers, SEAI offer an EV Home Charger Grant of €600, see www.seai.ie for further information.

⁴Optional add-on €215
