

Take a seat or make room.

The interior of the Transporter 6.1 Shuttle is ready for nearly every eventuality – from weekend trips to passenger shuttle operation and delivery work. Piles of suitcases?

The double-folding three-seater bench seat creates additional luggage space in next to no time. The backrests can be folded forward to create a flat surface. Different seating layouts required? The modular seat attachment system gives a range of options. Lots of items to transport?

The fastening rings in the vehicle floor are perfect for securing cargo.

Create space in three steps:

01 Fold down the backrests. All backrests on the benches and single seats in the passenger compartment can be folded down. This is also possible with the optional passenger double seat bench in the front seat row.

02 Double-fold the seats. The three-seater bench seat in the third seat row can be double folded. This feature can be used to increase the size of the luggage compartment.

03 Remove the seats. All bench seats and seats can be removed without tools. This means the Shuttle is ready for all transport jobs in an instant. The fastening rings in the vehicle floor can be used to secure cargo.

Audio & Communication.

01 Radio 'Composition Colour'

Fitted as standard on the Trendline & Comfortline, the 'Composition Colour' radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot and four speakers delivering 20 watt output. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect.

02 Radio 'Composition Media'

The optional 'Composition Media' radio system features a 8-inch TFT touch-screen colour display, four speakers delivering 20 watt output and Navigation system preparation. It also features wired & wireless App-Connect, an integrated eSIM and mobile online services as part of We Connect and We Connect Plus.

03 Navigation System 'Discover Media'

The optional 'Discover Media' satellite navigation system features an 8 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control, free map updates via the optional internet and mobile online services with Volkswagen We Connect Plus, wireless App-Connect and integrated eSIM.

03 Navigation System 'Discover Media Pro'

The optional 'Discover Media Pro' satellite navigation system features an 9.2 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus, wireless App-Connect and integrated eSIM.

We Connect on Plus 1,22

With Volkswagen We Connect¹ driving will now be even more digital, closely integrated and comfortable. A wide range of services gives you quick access to the California 6.1 – conveniently via your smartphone. The heart of the system is the We Connect¹ App. It connects your smartphone to the vehicle with an integrated eSIM card. The standard We Connect¹ package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the We Connect Plus¹,² package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to date. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

Disclaimer

From 1st January 2021, vehicle taxation including: Vehicle Road Tax and Vehicle Registration Tax (VRT) is calculated using data from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Reported fuel consumption and emission data as well as driving range data may not correlate with real world driving conditions.

Prices above are based on standard factory specifications. The addition of optional extras may increase the WLTP value of an individual unit, thus increasing the reccomended retail price under the 2021 vehicle registration tax calculations which have been determined by the Irish Department of Finance.

Please contact your local authorised Volkswagen Commercial Vehicles dealer for further information on pricing.
