

The California Brochure

Commercial
Vehicles

The ideal camper for every situation

The all-new California will be available in three models: Beach Camper, Coast, and Ocean. A version for every campervan lover.

Beach, Coast, and Ocean

California Beach Camper

A five-seater, the Beach Camper is equipped with three individual seats in the rear; the backrests of the two outer rear seats can be folded back completely. This creates two additional sleeping spaces in the living area. It also features an external 230-volt shore power connection and a compact mini-kitchen which extends from the rear and is shielded by the boot lid.

California Ocean

Our flagship camper, the California Ocean offers all the features of the Coast and then some. Like the exclusive Mélange Raven sustainable seat fabric with embroidered details, heated seats, an auxiliary air heater, satellite navigation system, a large roof stowage box, and ambient lighting.

California Coast

The four-seater California Coast will feature a redesigned kitchenette on the passenger's side, with cabinets, a sink, a single-ring gas cooker, and a cool box. All in a compact design that allows access to the left sliding door. The extremely stable fold-out bed measures 1,980 x 1,060 mm.

Redefining the campervan

Every model of the all-new California will now feature two sliding doors as standard, for versatility and ease of access. A pop-up roof will be standard too, with a window and large opening at the front and two additional side windows with mosquito nets in the bellows.

In the rear, you'll find individual seats that can be positioned to your personal preferences, leaving space for additional cargo, like a bike.

Built on
solid foundations

While nodding stylistically to their iconic heritage, all New California vehicles will now be built on the innovative modular transverse matrix (MQB) platform used on the long Multivan.

This means they will feature the same broad range of driver assist systems, from oncoming vehicle braking to Travel Assist semi-automated driving assistance.

Longer than its predecessor, the all-new California measures 5,173 mm in length (previously 4,904 mm), but at the same height, it remains suitable for most multi-storey car parks.

A close-up photograph of the rear of a dark-colored car. A silver 'California' badge is prominently displayed on the rear panel. The car's bodywork is highly reflective, mirroring the warm, golden light of a sunset. In the background, a blurred landscape of rolling hills is visible under a soft, orange-hued sky.

Driving innovation

The all-new California range will be powered by a turbo diesel 110kW (150ps) TDI engine that can be combined with all trim levels and are coupled with a DSG automatic gearbox.

The iconic two-tone paint finish

In addition to eleven single-tone finishes, the all-new California will be available in three classic two-tone combinations: Mono Silver/Energetic Orange metallic, Deep Black Pearl/Fontana Red metallic, and Candy White solid/Starlight Blue metallic.

The pop-up roof will be configurable in three colours: Toffee Brown, Glacier Blue, and Basalt Grey. Choose from several different 16-inch, 17-inch, 18-inch, and for the first time 19-inch alloy wheels.

All new interior architecture

The all-new California has the most spacious interior yet. The California Beach will feature the same modular interior concept as the Multivan.

Light sleepers will benefit from an enhanced blackout system across the range, with removable storage pockets being added for the rear side windows, integrated roller blinds on the sliding doors and boot lid, magnetic shades for the front side windows and a new integrated windscreen shade*.

*In the Coast and Ocean models, these are upgraded to new-design thermal shades and an insulated shade respectively.

Coast and Ocean

Improved kitchenette in Ocean/Coast

Improved kitchenette in Ocean/Coast

The Coast and Ocean models also feature an improved kitchenette, finished in a two-tone Platinum Sandwich/Raven Brushed trim. As well as being far more space-efficient, it now features a pull-out cool box. The gas cylinder is now much easier to access via a small door in the load compartment.

Fold-out mini-kitchen standard in the California Beach Camper

Beach Camper

Beach Camper has a versatile slide out kitchen module in the rear load area. It includes a single ring gas burner, cutlery drawer and additional storage as well as a 230v power socket. The rear location allows the user be sheltered by the open tailgate.

Fold-out mini-kitchen standard in the California Beach Camper

Innovative control

Last but certainly not least, the all-new California camper functions can be controlled via the main infotainment display at the front of the vehicle; via the new 5-inch van control unit in the C-pillar of the vehicle; or via the California app*.

You will be able to access all camping-relevant features via the 5-inch touch display, including fresh water and wastewater levels, interior lighting functions, power supply status, cool box controls, and the auxiliary heater.

Camping mode will deactivate the Coming Home and Leaving Home functions when the vehicle is opened and closed on a campsite. You can even turn off all LED background lighting with a double-tap, like you're in a luxury hotel.

*Certain functionality will only apply to certain trims.

Highlight features of the California

Based on the long Multivan

Manual pop-up roof as standard on California Beach Camper; electro-hydraulic pop-up roof as standard on California Coast and Ocean models with bellow in a choice of three colours, new colour: Toffee Brown

Blackout blinds as standard

Weight reduced awning with lockable housing and integrated crank

Bellow with 3 windows and 1 front opening

Sliding doors on both sides of the vehicle for added comfort and flexibility in camping and everyday use

Previous 2-seater bench is replaced by 2/3 modular single seats

Awning available for the left or right side of the vehicle

Practical cool box accessible from outside and inside

Monitoring and control of the camper functions via 3 touch points: Camper control unit, infotainment system, California app

Vehicle height under 2.0 m (even with awning)

Drawer compartments underneath the swivel seats in the cockpit and the single seats in the passenger compartment

Privacy glazing (65 % light absorbing in the living area)

Elimination of gear and handbrake levers for greater freedom of movement and more available space

Warm white ambient lighting all-around the roof frame, dimmable via touch control

Numerous stowage options

Fold-out mini-kitchen in the rear², with 1-burner gas cooker, cutlery drawer and large stowage tray

Kitchenette¹ with versatile folding table and 230-V socket for cooking in the open air

45 watt USB charging socket

Lower lying surface = 5 cm longer

Large luggage compartment

Fresh water tank capacity increased by 5 litres

1 Kitchenette with folding table = standard equipment for California Coast and California Ocean.
2 Fold-out mini-kitchen with gas cooker in the rear = standard equipment for California Beach Camper.

Welcome
to the cockpit

- A Leather-covered multifunction steering wheel with paddles
- B Digital Cockpit Pro
- C Engine starter button ("Keyless Start" keyless comfort start function)
- D Selector lever for dual clutch gearbox DSG (Shift-by-Wire)
- E 25.4 cm (10 inch) colour touch display
- F Buttons for Park Distance Control, air conditioning system, electric sliding doors etc.
- G 2 USB-C ports
- H Compartment with 2 0.5-litre bottle holders
- I 12-volt socket
- J Storage compartment with lid
- K Storage compartment with lid

California

Beach Camper

Exterior features
65% darkened windows in the passenger compartment
Awning on left side, with white housing
Black gloss painted trim between the headlights
Exterior mirror housings in Glossy Black
Front fog lights
Laminated-glass windscreen, heat-insulating and noise damping
Manual pop-up roof, with 3 windows and 1 front opening, bellow in Basalt Grey
Sliding door, left and right side, with sliding window
Interior features
3 single seats in the rear cabin with integral seat belt and sleeping mat
Air conditioning system with manual control in cab, with auxiliary heater for load/passenger compartment
Height-adjustable swivel seats for driver and front passenger, with armrests (both sides), lumbar support (power adjustment), drawer compartment, without folding table at the back
Reading light for front passenger
“Scale Light Grey” decorative inserts
Two-tone fabric seat covers in “Bright Dots” design
Wheels
16” “Syrakus” alloy wheels 6.5
16-inch disc brake front and rear
Standard suspension and shock absorption
Tool kit and Tyre Mobility Set (in the luggage compartment)

Driver assistance and safety features
Adaptive Cruise control system
Anti-theft alarm and electronic immobilizer
Central locking system with the “Keyless Start” keyless comfort start function, with SAFELOCK
Daytime running lights switch with automatic lightning control
Driver Alert System
Driver and front passenger airbags with front passenger airbag deactivation
Dynamic headlight range control
Dynamic Road Sign Display
eCall Emergency System
First aid kit, warning triangle and safety vest
“Front Assist” autonomous emergency braking with pedestrian and cyclist detection
Front and rear parking sensors
Front and rear seat belt warning
High beam assist
Interior rear view mirror, auto dimming
Leather-covered multifunction steering wheel with paddles
Lane departure warning “Lane Assist”
LED main headlights with LED daytime running lights
LED tail light clusters
Side and curtain airbags for driver and front passenger, curtain airbags for the outer seats in the back and front centre airbag
Speed limiter and “Intelligent Speed Assist”
Sun visors with mirror, illuminated, ticket holder on the driver’s side, with airbag label on the sun visor and B-pillar
Swerve support and turn-off assist
Tyre Pressure Monitoring System
Windshield wiper intermittent control, 4 stages, for windshield wipers with rain sensor

Infotainment and connectivity
2 USB-C ports at the front, 4 USB-C charging ports in the passenger compartment (45 watt)
8 loudspeakers (passive)
App-Connect including App-Connect Wireless for Apple CarPlay™ and Android Auto™
Digital Cockpit Pro
Radio “Ready 2 Discover” with 25.4 cm (10-inch) colour touch screen incl. Streaming & Internet and DAB+
Camping equipment
230-V inlet with charging feature for vehicle batteries and 230-V 3 pin socket in the interior
Camper control unit (in the right C-pillar)
Camping table (underneath the bed extension) and 2 folding chairs (in the tailgate)
Drawer compartments underneath the exterior seats in the passenger compartment and 2 waste containers
Folding lower bed 1,980mm x 1,330mm
Fold-out mini-kitchen in the rear with 1-burner gas cooker
Fuel-fired parking heater and fuel-powered auxiliary heater
Gooseneck lamp (LED) for loft bed
Interior blackout system: hooded curtain for windshield, magnetic curtains for front side windows, roller blinds for tailgate and sliding doors, stowage bags between C- and D-pillar
Roof top bed 2,050mm x 1, 140mm
Technical box with additional battery and 230-V outlet
Ventilation grilles for driver and passenger windows

California Coast (in addition to Beach Camper)

Interior features
2 single rear passenger seats with integral seat belt and sleeping mat
Climatronic 3-zone air conditioning system
Drawer compartments underneath the exterior seats in the passenger compartment and 2 waste containers
Height-adjustable swivel seats for driver and front passenger, with armrests (both sides), lumbar support (power adjustment), drawer compartment, without folding table at the back
“Scale Light Grey” decorative inserts
Two-tone fabric seat covers in “Ribella” design
Camping equipment
2nd and 3rd additional battery with LV voltage converter
Folding lower bed 1,980mm x 1,060mm
Interior blackout system: thermo mats for cab, roller blinds for tailgate and sliding doors, stowage bag between right C- and D-pillar
Kitchenette with versatile folding table and 230-V socket, in Platin Sandwich (upper cupboard) and Platin Raven (lower cupboard)
Roof top bed 2,050mm x 1,140mm

Wheels
17" "Dundrod" alloy wheels, in silver
Driver assistance and safety features
Central locking system with the “Keyless Start” and “Keyless Entry”, with SAFELOCK
Front and rear parking sensors with park assist
Heated front windscreen
Rear view camera

California Ocean (in addition to Coast)

Exterior features
Black gloss painted trim between the headlights with two chrome trims
Electrohydraulic pop-up roof, with 3 windows and 1 front opening, bellow in Basalt Grey
Power latching tailgate
Sliding door, left and right side, with power latching system
Tailgate with power latching system
Interior features
Ambient interior lighting
“Dark Silver Brushed” decorative inserts
Interior lighting in the pop-up roof, tailgate and at the kitchen cupboard
Kitchenette with versatile folding table, 230-V socket and roof storage compartment, in Frizo Sandwich (upper cupboard) and Platin Raven (lower cupboard)
Seat heater for seats in cab, left and right, separately controllable
Textile floor mats in the cab
Two-tone fabric seat covers in “Mélange” design, with California lettering
Wood-look floor covering
Infotainment
Discover Pro navigation system with 25.4 cm (10-inch) colour touch screen incl. Streaming & Internet and DAB+

Wheels
18" "Toshima" Alloy wheels, in silver
Driver assistance and safety features
Advanced high beam control
Driving mode selection
Dynamix headlight range control, with cornering light
Heated leather-covered multifunction steering wheel with paddles
IQ. Light LED matrix headlights
Travel Assist
