

The Multivan eHybrid

The Multivan eHybrid

A new era begins for Volkswagen Commercial Vehicles with the Multivan eHybrid 4Motion. This highly anticipated Multivan combines a 1.5l turbocharged petrol engine with two electric motors, one on each axle providing allwheeldrive (4Motion) and 245hp. It features a 19.7kWh usable battery, almost double the capacity of the previous model, which now supports 11kW AC and 50kW DC charging, with a zeroemission range of approximately 95kms. This vehicle compliments our latest and newest model lineup for 2025 and aligns with our strategy to offer more sustainable and versatile vehicles.

From vehicle to meeting point

The Multivan is an allrounder that adapts to families in a playful way. Multifunctional, suitable for everyday use and as highquality as ever, the seventh generation now offers even more digital features, innovative mobile online services at a high level and intelligent assistance systems. The Multivan also sets new standards in terms of driving comfort and design and thus offers many things that were previously only available in luxuryclass vehicles. All this makes it a popular meeting place for the whole family.

Discover the highlights of the Multivan. Experience stateoftheart driving comfort, numerous driver assistance systems and intelligent connectivity. See for yourself.

Disclaimer

From 1st January 2021, vehicle taxation including: Vehicle Road Tax and Vehicle Registration Tax (VRT) is calculated using data from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Reported fuel consumption and emission data as well as driving range data may not correlate with real world driving conditions.

Prices above are based on standard factory specifications. The addition of optional extras may increase the WLTP value of an individual unit, thus increasing the recommended retail price under the 2021 vehicle registration tax calculations which have been determined by the Irish Department of Finance.

Please contact your local authorised Volkswagen Commercial Vehicles dealer for further information on pricing.
