# The California 6.1 Brochure

A white and brown California 6.1 camper van is parked in a field of wildflowers. The van's pop-top roof is extended, showing a dark interior with a white outline of a person's head and shoulders. The background features steep, forested mountains under a cloudy sky. The foreground is filled with out-of-focus wildflowers, including yellow daisies and white blossoms.

## The California 6.1

# Iconic as ever. Refined, redesigned, restyled.

For more than 30 years, the California has been synonymous with freedom and adventure, the perfect companion for spontaneous trips, weekends away or family holidays abroad. Now, the iconic camper van is relaunched, more sophisticated and comfortable than ever before, with a revised interior and host of technological refinements. Compact enough to be used as an everyday vehicle, the new California 6.1 ticks every box. Designed for the road, built for making memories.

**Integrated accessories.**

The camping table, camping chairs and opaque window shades are neatly stowed away behind the sliding doors and tailgate, saving space when not in use.

**Proven quality.**

As you'd expect, the California 6.1 is durable, versatile and built to last, with a highly stable body, quality materials and time-honoured workmanship.

**State-of-the-art driver assistance systems.**

The California 6.1 features a range of driver assistance systems more usually found on passenger vehicles, including Traffic Sign Recognition, Side protection, Crosswind Assist, Active Lane Assist, Park Assist, Rear Traffic Alert and Trailer Assist.

**Enhanced exterior design.**

A completely new front design features a reshaped front grille, restyled front bumper and LED headlights with separate LED daytime running lights, with new rear LED tail lights, alloy wheels and colour options.

The image shows the interior of a modern Volkswagen California van. The view is from the driver's perspective, looking out over a vast, mountainous landscape under a blue sky with light clouds. The interior features a black steering wheel with the VW logo, a large central infotainment screen displaying various app icons, and a gear shift lever. The dashboard and door panels have a sleek, modern design. A side mirror on the left shows a woman with curly hair looking out the window. The overall atmosphere is one of freedom and adventure.

## Maximum comfort. Total freedom.

Experience life off the beaten track as never before, thanks to a range of refinements and optional extras. A high-resolution Digital Cockpit, the latest generation of multimedia infotainment systems and state-of-the-art connectivity options with Volkswagen We Connect provide unprecedented levels of driving enjoyment, ensuring you make the most of every journey, at home or abroad.

### New interior design.

The redesigned dashboard features contemporary black gloss surrounds and stylish decorative trims, along with fresh new seat upholstery, kitchen units, aluminium door handles, sliding cupboard doors and LED interior lighting fitted as standard.

### Outstanding comfort.

The cabin offers excellent acoustic and thermal insulation, with ergonomic seats finished in robust premium upholstery. A new darker canvas and softer bed with spring system provides improved sleeping comfort in the roof section, whilst the lounge doubles as a bed extension with the option of a deluxe mattress overlay.

### Perfectly networked.

The California 6.1 is available to order with the optional Digital Cockpit1, which features a high-resolution 10.25" display. The vehicle also features the latest touch-screen radio and navigation systems with integrated eSIM, App-Connect, We Connect2 mobile online services and Bluetooth®, ensuring you stay informed while you travel.

### Adaptable interior.

The folding bench seat in the living area can be secured at any position on the sliding floor-mounted rail system, along with swivelling front seats, providing a highly flexible and adaptable interior.

Image shown is for illustrative purposes only. Vehicles shown are not Irish specification.

## Your new favourite hotel. Wherever you go.

The new California 6.1 offers home-from-home comfort, with an impressive range of standard equipment, including new cupboard decorative trim, sleeping for up to four people, loft space fitted with a proper sprung bed base and a central control panel that enables you to dim the LED ambient lighting<sup>1</sup>, manage the heating system and operate the electro-hydraulic<sup>2</sup> elevating roof. Surely the ultimate mobile hotel, you can check in any time you like, whenever and wherever you choose.

1 Standard on the California 6.1 Ocean. Optional at extra cost on the California 6.1 Coast. 2 Standard on the California 6.1 Ocean. Not available to order on the California 6.1 Coast. Images shown are for illustrative purposes only. Vehicles shown are not Irish specification.

### **Park Assist NEW**

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

### **Side protection. NEW**

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

### **Crosswind Assist. NEW**

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle Driving the Transporter 6.1 offers high levels of safety encounters a strong crosswind.

**Outstanding comfort.  
Even while driving.**

## Adaptive Cruise Control (ACC)

Optional on all trims. Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18mph triggers emergency braking.

## Traffic Sign Recognition. NEW

Detects road signs and informs the driver. Optionally available in combination with the Discover Media navigation system.

## Active Lane Assist. NEW

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

## Rear Traffic Alert. NEW

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

## Tyre pressure monitoring system.

Displays the current pressure for every tyre and warns of deviations from the set pressure.

# The California 6.1. Coast.

## Interior Equipment

Compressor refrigerator (approx. 42l)
Cupboards in Bright Oak
Decorative inserts “Beige Birch”
Dresser with mirror and storage cabinet
Fresh water tank (approx. 30l)
Gas pressure monitor
Sliding windows with fly screens
Kitchen cabinet as a sink/stove combination

# Audio & Communication.

## 01 Composition Colour radio system.

Fitted as standard on the Coast, the Composition Colour-radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot and four speakers delivering 20 watt output. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect and We Connect Plus.

## 03 Discover Media satellite navigation system.

Fitted as standard on the Ocean, the Discover Media satellite navigation system features an 8 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus, wireless App-Connect3 and integrated eSIM.

## 04 Discover Media Pro satellite navigation system.

The optional Discover Media satellite navigation system features an 9.2 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus, wireless App-Connect3 and integrated eSIM.

## 02 Composition Media Radio System.

The Optional Composition Media system features an 8 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control and mobile online services with Volkswagen We Connect Plus, App-Connect and integrated eSIM.

# We Connect<sup>1</sup> and We Connect Plus<sup>1,2</sup>

With Volkswagen We Connect<sup>1</sup> driving will now be even more digital, closely integrated and comfortable. A wide range of services gives you quick access to the California 6.1 – conveniently via your smartphone. The heart of the system is the We Connect<sup>1</sup> App. It connects your smartphone to the vehicle with an integrated eSIM card. The standard We Connect<sup>1</sup> package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the We Connect Plus<sup>1,2</sup> package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to date. To take advantage of these exclusive services, you can register today with the We Connect<sup>1</sup> Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. 3 Only in combination with the anti theft alarm system. Standard on Highline models, optional on Startline models. 4 The Lock & Unlock service is a security feature and requires a prior identity check by means of the Volkswagen ID procedure. This involves your identity being checked by a Volkswagen dealer or via video chat. 5 Available from April 2020. 6 Only available in conjunction with the Discover Media navigation system and Streaming & Internet package. Optional at extra cost. The scope of services of We Connect and We Connect Plus may vary and can be used at a later date. 7 Only in conjunction with the Discover Media navigation systems. Optional at extra cost.
